Cathcart Receives Silver Antelope At Regional Meeting

Cathcart

Silas S. Cathcart, president of the Chicago Area Council will receive the Silver Antelope Award at the Region Seven Annual Meeting, Nov. 7.

The Silver Antelope is an award given by a region to Scouters for distinguished service to boyhood within that region.

Cathcart has been an active officer of the Council since 1955 and served as president since 1968. In 1969 the Council achieved its second highest membership total in history when more than 75,000 boys were registered.

He has previously received the Silver Beaver Award.

A graduate of Princeton University, Cathcart is president and director of Illinois Tool Works, Inc.

Others to receive the Silver Antelope at the Meeting include Dr. Earl L. Baker, Traverse City, Mich.; J. R. Davidsmeyer, Jacksonville, Ill.; L. A. Haggood, Chicago, Ill.; Harold A. Lenicheck, Milwaukee, Wisc.; Dr. Max S. Norris, Indianapolis, Ind.; Ray Oliver Phillips, Monticello, Ind.

Ross D. Siragusa, Jr., president of Admiral Corporation, will chair activities for the 1971 Annual Meeting and Dinner, January 23 at the Conrad Hilton Hotel.

According to Siragusa, 1,500 Scouters are expected to attend the dinner at 6:30 p.m. A featured event will be the presentation of the Silver Beaver Award to 45 area men. The Silver Beaver is the highest honor a Scout council can bestow on adult volunteers.

Scouters will also be entertained during the evening by a well-known performer.

The business meeting will convene prior to the dinner at 5:30 p.m. with a brief review of the 1970 programs and achievements, a financial report and the election of 1971 Council officers. A highlight will be the presentation of the coming year's public-relations program.

Assisting Siragusa as subcommittee chairmen are Saul L. Corush, partner, Realty Management Association; Martin Sheridan, vice president, Admiral Corporation; Thierry McCormick, vice president, public relations, Meister Brau, Inc.; George E. Johnson, president, Johnson Products Company, Inc.; and Thomas P. Joyce, president, Chicago Seven-Up Bottling Co.

Information on dinner reservations is available from district executives and the Council Service Center.

Jewish Committee Requests Nominees For Shofar, Good Turn

The Council's Jewish Relationships Committee needs your help in honoring deserving people who have given extra ordinary service on behalf of the Jewish Relationships Committee.

Shofar and Good Turn Awards will be presented to these adults at the Eternal Light Honor Night program sponsored by the Committee on February 20.

The Committee needs names of those, not limited to persons of the Jewish faith, who are deserving of one of the awards. Specifically, the "Shofar Award" is presented to adults who have done outstanding work for Jewish boys in Scouting and the "Good Turn Award" is presented to adults or organizations who have performed a special service or in some way have done something outstanding for the Jewish boy in Scouting or for the Committee.

Nomination forms can be secured at the Council Service Center and should be mailed to: The Jewish Relationships Committee, Boy Scouts of America, 300 West Adams St., Chicago, Ill. 60606. Nominations must be postmarked no later than Nov. 30.

Operation Patrick Henry Offers Public Speaking Experience, Awards

Scouts and Explorers will have the opportunity to gain valuable experience in public speaking through Operation Patrick Henry, November 14 and 21 at 9 a.m., Council Service Center, 300 W. Adams St.

The Patrick Henry course, which consists of three 4-hour training sessions, is conducted by members of the Chicago Area Toastmaster Clubs and the Rotary International of Chicago.

At the first session, each participant gives a speech entitled "What Scouting Means to Me." The speech is evaluated by a member of Toastmasters International and the Scout is briefed on his presentation. The following week the Scouts practice in preparation for the second session.

During the second session, the Scouts again give their speech and are scored. At the end of this session, the top ten scorers present their speeches and winners are selected.

Winners are recognized with wall certificates and trophies. All participants receive pocket certificates.

Registration is 50 cents per person and any registered Scout or Explorer is eligible to participate. Fees will be paid at the door.

The Council Program Services needs to know the number attending from your unit. Call or mail this information to Charles Largent, Program Director, Council Service Center, BSA, 300 W. Adams St. PHONE 782-3990.

How To Wear Webelos Flag Emblem

In answer to numerous inquiries, following is an explanation of how Webelos should wear the new embroidered U.S. flag emblem:

Webelos Scouts wear the patch centered above the Cub Scouts BSA strip above the right pocket. All others wear the patch on the right shoulder seam, centered, on official uniform shirts. They are not to be worn on jackets, Jac-Shirts, or upon any other articles of clothing or equipment.

Mr. Explorer Advisor, don't be misled by the title — *Boys' Life* speaks teen-age.

TO ALL UNIT LEADERS

Many units have not yet reported any new registrations for boys and adults. Please see that your boys are registered. The tenure of the boys does not begin until they are officially registered. Don't let these boys down. Also all Roundup awards will be made available at our Roundtable for units recruiting their goal of new boys and Boy's Life subscriptions.

CAMPOREE SUCCESS!!

With well over 200 Scouts and Scouters at our Fall Camporee, a great Scout function was again accomplished in Lakeview District. Thanks to the fine cooperation of all the units and leaders that came out we feel that a good time was had by all. Thank you also to Lakeview's Commissioner Staff that ran the camporee.

NEED HELP IN RECRUITING!!

Our district as a total is about 400 boys short of our membership goal. Each unit leader owes it to the boys and the community to involve new boys, but don't forget to involve new parents also. The boys are out there, let's see that they at least get the opportunity to join a great organization — the Boy Scouts of America.

(Lake Shore continued)

and happy holiday season. Our thanks to all for the time and effort you have spent during 1970 to give to the boys in Lake Shore district a good Scouting year.

There's A Camp Just For You — Sign Up Now For Summer '71

A variety of plans and schedules available to units attending summer camp at Owasispe Scout Reservation affords the type of tailor-made programming that results in an enriching camp experience.

Whatever your unit anticipates or desires in facilities and activities can be found within the 11 camps at Owasispe. Program emphasis is on Scouting skills and advancement, with the troop leadership and camp staff assisting Scouts in a wide range of opportunities, including all phases of aquatics, archery, hiking, nature study, conservation, and campcraft.

Owasippe is made up of six individual section camps and five lone troop sites. In support of these camps, the Administration Center includes the administration building, health lodge, central trading post, grocery store, equipment rental depot, food preparation center and the Order of the Arrow Information Lodge.

The following outline of the camps will assist your unit in selecting the right plan for its summer adventure.

Wolverine North — Wolverine South — Sauger Lake — Crown (the newest camp) — The troop sites at these modern camps each have their own sanitary facilities and patrol dining and program areas. Each site is on a four acre tract of land which allows a troop to develop its own program of camping, cooking and nature study. Each camp has its own administration building, boating and canoeing facilities, archery, rifle and musket ranges and a spacious lighted swimming pool. At these camps a troop has every opportunity to use and develop the patrol method.

Blackhawk — Stuart — A full program staff operates these two older camps and feeding is conducted on a group basis in lining halls.

Hiawatha Beach — Bass Lake — Frontier — Wilderness I — Wilderness II — These five lone troop sites are available to troops who wish to plan and execute their own activities without the assistance of a central camp staff. Approved waterfront swimming areas are located at all five

camps. Troops operating by the patrol method and using these sites can experience the most advanced form of Scout camping.

More detailed information about the entire camp program will be available in the near future. Meanwhile, make your reservation now for Summer Camp 1971 so that you will get the camp and period you want.

Here's How To Make Your Reservation

Your camp reservation request is accepted under the following conditions:

1. A \$20. per week site deposit which is not refundable must accompany the camp reservation request. This deposit is credited to your total unit's final fees.
2. Additional fee payments will be due as follows: \$5. per boy per week must be paid by April 1, 1971 and are not refundable. Full fees must be paid two weeks prior to the camp date and are refundable upon request.

Please note that each unit may request a specific site on a first, second and third choice basis. Site assignments will be made during the month of May, 1971. Requests for specific camps and periods will be accepted on a first come, first served basis.

For Family Cabins a fee of \$25. per cabin per week must accompany the cabin request. Depending upon available space, all requests will be confirmed by the Camping Service. The family cabin deposit is refundable up to June 1, 1971. A minimum of ten Scout campers is required to reserve and occupy a family cabin.

Distinguished Eagle Award Goes To U.S. Gypsum President G. Morgan

Morgan

The distinguished Eagle Scout Award will be presented to **Graham J. Morgan**, president of the U. S. Gypsum Corporation at the 10th Annual Eagle Recognition Dinner, Nov. 5 at the Conrad Hilton Hotel.

The award is a national honor for men who have distinguished themselves in business, professions or service to their country over a period of 25 years or more since earning the Eagle Scout Award.

Morgan received the Eagle Award in 1933. After graduation from Carleton College he joined U. S. Gypsum. Since then he has achieved marked professional success in sales assignments and as general merchandise manager, merchandise vice president, vice president and assistant to the chairman of the board and executive vice president. In 1960, he was elected president and in 1965 was designated chief executive officer.

He serves on the board of directors of several leading national and international corporations and companies.

Morgan's civic and community activities include member of the board of trustees, Northwestern University, Northwestern University School of Business Advisory Council, Mayor's Committee on Economic and Cultural Development and National Emergency Committee of National Council on Crime and Delinquency. In 1967 he received the first Department of Housing and Urban Development Urban Pioneer Award.

Scouts, Fathers Invited to Attend Rifle Assn. Meeting

One of the outstanding attractions of the Illinois State Rifle Association's 68th Annual Convention, January 16-17 will be appearances on both days by **Colonel Larson** — "World's Champion Rifleman" featured in **Boy's Life**. The convention will be held at the Arlington Park Towers, Euclid Ave. at Route 53, Arlington Heights, Illinois.

As oldsters and students of the history of firearms will recognize, Larson carries on today an American tradition of fast and fancy shooting begun before the turn of the century.

Colonel Larson's feats of marksmanship have literally made him a legend in his own time. These include:

- * Splitting 125 playing cards consecutively at a distance of 52 feet.

- * Hitting 1,000 1/8-in targets in 4½ hours, without a miss.

- * Scoring 3,600 consecutive hits in one day.

- * Leveling a gun and hitting 17 blocks of wood, each three inches square, in just 18 seconds.

In addition to performances by Colonel Larson, a series of seminars will be conducted Saturday morning and afternoon and Sunday afternoon on the safe and proper use of firearms. These will be taught by personnel of the Army Marksmanship Training Unit, representatives of the Illinois Department of Conservation, NRA-certified instructors and by other qualified experts.

Scouts and their fathers are invited to attend this educational and most enjoyable event.

H & S Chairman Lists Rules Of The Road For Bicycle Riders

Troop 346
Tomahawk District

With bicycle riding becoming more popular than ever before, it's important to remember that safety on the road is as vital for cyclists as for automobile drivers.

Dr. John N. Schuetz, council health and safety chairman, stresses these rules:

1. Obey all traffic laws — always ride with the traffic.
2. Keep your bike in good condition.
3. Use hand signals.
4. Avoid riding after dark, then only if the bicycle has a headlight and red tail light or reflector.
5. Do not carry passengers.

Cycling can be a great activity for any unit as evidenced by an outing enjoyed by 19 members of Troop 346, Tomahawk District.

For information on bike routes, write to League of American Wheelmen, 5118 Foster Avenue, Chicago, Illinois 60630.

MEMBERSHIP

Congratulations to Dick Heinz, Troop 1425, and Walter Sinks, Cub Pack 3418 for being the first units to earn their 1970 recruiting goal.

Their cups were given to them for achieving this goal. While these were the only ones to get their cup in October, prior to the Roundtable, it looks as if we will need a truck for the cups that will be needed in November. If you haven't already reached your goal why not a recruiting rally in order that you too will get your cup in November. (Don't wait for December. Santa brings gifts not boys).

NEW UNIT

Welcome to Troop 1489 sponsored by Midway Church of God, Rev. Stanley Rushing, Executive Officer.

Fred McDougal (a Scoutmaster many of you will remember from Elston Methodist Church) has assumed the reins as Scoutmaster.

Midway Church of God is to be congratulated for this interest in boys. They do not even have a building yet, however, their interest in boys lead them to the sponsorship of a unit without waiting.

We wish to also thank Mr. Jerry Walfe for lending the basement in his home to get this unit off and meeting. With a group of men like this, look for Troop 1489 to soon be one of our leading units.

Good luck in the future and I will be rooting to see the district on top.

An open letter to Institutional Representatives

Dear Sir:

Your job as Institutional Representative for your Scouting Family is possibly the most important job of your Troop Committee. It is only through your position that your units know what is going on and what is being planned in the District.

On the SECOND TUESDAY OF EACH MONTH there is a District Meeting held at the West Pullman Savings and Loan Association, 500 West 119th Street, Lower Floor Meeting Room, at 7:30 p.m.

Here, the District meets — all committees, i.e. Training, Activities, Camping, Advancement, Finance, Organization and Extension plus anyone interested in the District in any way.

Meet and report at this time. As Institutional Representative, it is part of your job to do the same.

We can maintain our high caliber of Scouting in our District with your help, as said before.

It is not too soon to start planning your activities for the coming year. Cub Masters, Den Mothers, winter and spring activities are just around the corner — make sure your Dens and Packs are preparing activities that

Scoutmasters: Along with your winter and spring activities, there should be a long-range plan for summer camping, acquiring camp sites, money, leadership and deposits for your camp sites next July and August. Get the jump on your activities for next year. Andrew M. Griffins, Activity Chairman.

Randolph L. William, SM 1661
Willie Taylor, CM 3350
John E. Clark, CM 3649
Donald Bennett, CM 3392

Top — Cooperation and teamwork pay off in Scouting. These boys are learning principles that will stand them in good stead in years to come. The Crusade of Mercy helps support the Scout program. **Bottom** — The Red Cross, also aided by the Crusade provides youth volunteers assistance in hospitals.

The Crusade of Mercy — the largest and most inclusive charitable drive in the Metropolitan Chicago area — has set its 1970 campaign objective at \$33,836,954, the highest in Crusade history. The annual appeal on behalf of 900 voluntary human care services in Chicago and 154 suburban communities began officially on October 7.

"This year's campaign goal is not a statistical goal," according to **Robert E. Brooker**. "It is a goal to provide the money needed to run the 900 agencies which help meet the most pressing needs in the metropolitan area." Brooker, executive committee chairman, Marcor, Inc., is serving as campaign chairman, a voluntary post.

"The campaign can best be characterized by its slogan, 'Help close the people gap,'" Brooker said. "The people gap" is the difference between what is and what should be. Crusade of Mercy human care services are doing all they can to help close the people gap... giving hope and assistance every day to people who face problems so tragic and complex they cannot handle them alone. The services themselves face a serious dollar gap — the difference between the needs of the people and the funds available to meet those needs."

In most companies, the Crusade of Mercy is the only charitable appeal for which solicitation is permitted. Payroll deduction for Crusade pledges makes it easier for employees to give a Fair Share gift by spreading their pledge over a period of time.

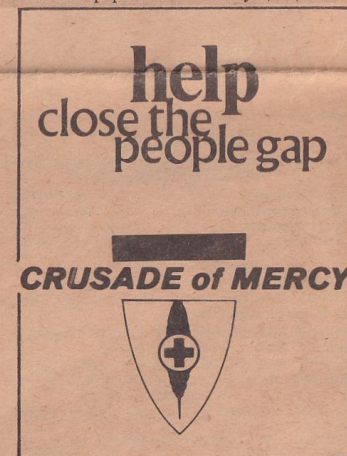

"Adoption services, day care, youth centers and family counseling services are some of the most critical needs of the community," Brooker said. "In order to provide the financial resources to meet these

needs, the campaign is encouraging full share giving. That means every employee pledging either one day's pay or one percent of annual salary depending on earnings and personal obligations."

The Metropolitan Crusade of Mercy raises funds for the Community Fund of Chicago, Mid-America Chapter of the American Red Cross and Suburban Community Chest Council and 91 of its member suburban chests.

Participating suburban chests conduct local phases of the campaign, soliciting small business firms, local retail establishments, professional people, school and municipal employees and other residents not reached by the Crusade.

The Metro Crusade covers Cook and Du Page counties and parts of Kane, Kendall, Will, McHenry and Lake (Illinois) counties with their population of nearly 6,000,000.

Top — A visiting nurse gives compassionate home nursing care to a patient who no longer needs intensive hospital care. Your one pledge helps people of all ages. **Bottom** — An experienced homemaker from a Crusade agency helps keep a family together during emergencies and separations.
